

# TrueCare Clinical Practice Registry

## The Perfect Tool to Streamline Your Practice!

The TrueCare Clinical Practice Registry is an online tool available to health partners to identify and prioritize needed health care services, screening, and tests for TrueCare members. The Clinical Practice Registry is easy to access via the secure TrueCare provider portal.

- **Identify gaps in care:** View preventive service history and easily identify HEDIS® (Healthcare Effectiveness Data and Information Set) gaps in care to discuss during appointments.
- **Holistically address patient care:** Receive alerts when TrueCare members need tests or screenings, review member appointment histories and view their prescriptions.
- **Improve clinical outcomes:** Easily sort TrueCare members into actionable groups for population management.
