

Network Notification

Notice Date: October 20, 2025
To: Mississippi TrueCare Providers
From: TrueCare
Subject: Submitting Abortion, Hysterectomy and Sterilization Consent Forms

Summary

To ensure that a claim for abortion, hysterectomy or sterilization (AHS) is processed correctly, providers can upload a Member Consent Form on the Provider Portal for the procedure. The consent form will be matched to the member's corresponding claim to ensure successful processing. Before accessing the option to upload a consent form, a provider should complete an eligibility check for the member for the date of service (DOS).

Impact

Health and Human Services (HHS) has updated the Consent for Sterilization form. Spanish and English versions are available for download from the **MSTrueCare.com** pages:

- [MSCAN Forms page](#)
- [CHIP Forms page](#)

Importance

This notification serves as a reminder to use the new consent form for all upcoming AHS procedures.
