

# Network Notification

**Notice Date:** January 16, 2026  
**To:** Mississippi TrueCare Providers  
**From:** TrueCare™  
**Subject:** 2026 Monthly Provider Connections Series Schedule

## Summary

The Provider Representative team is excited to share the 2026 schedule for Provider Connections, a monthly instruction and information forum for provider office staff.

## Impact

We understand that interacting with a new payer can be challenging. Provider Connections is a monthly forum for providers to engage with TrueCare support and operations specialists on topics based on your feedback and our data sources. This interactive forum allows providers and their staff to connect with subject matter experts (SMEs) who will deliver education on a pre-selected topic, address common claims submission errors and allow time for your questions. The sessions aim to educate providers, reduce administrative burdens and enhance overall satisfaction.

The 2026 Provider Connections series begins Wednesday, January 21, 2026, at 12:00 p.m. Central Time (CT). See below for the 2026 schedule.
